

# What is the School-Age Credential?

**The New York State School-Age Care Credential** promotes quality services to children and families by providing specific standards, training, and evaluation of school-age staff members and providers. It is an opportunity for adults working with school-age children to gain professional recognition for demonstrating competence in their on-the-job skills.

**Face-to-Face  
SAC Credential  
courses and  
classes are  
scheduled by  
the host  
agencies.**
