Help us achieve our VISION

All of New York State's children and youth will experience high-quality expanded learning and development opportunities that support their success in school, college, work, and life.

The New York State Network for Youth Success is dedicated to building a youth-serving system that increases the quality and availability of afterschool, summer, and expanded learning programs.

What are the BENEFITS?

- Access to professional development opportunities across New York
- Members-only webinars
- Monthly e-newsletter
- Updates on the afterschool field, funding, and professional development
- A \$20 discount for the annual Network for Youth Success conference
- Ambassador-level membership to the National AfterSchool Association
- Half of all membership fees go to the member's Regional Network to support local initiatives
