Data last updated 6/2016

## 72,200

New York children participate in Advantage and 21st CCLC programs, as of September 1, 2016.\*

## 1.1 million

students are still in need of access to high-quality afterschool programs in New York State.\*

## 84%

of parents support public funding for afterschool programs.\*\*

## 584,000+

New York students go home **unsupervised** after school.

Long-term participation in a high-quality afterschool program can help close the achievement gap.\*\*

For every **1** student with access to a program, there are still **2** waiting to get in. In rural areas, **3** are waiting.\*

"Afterschool programs help [students] to be successful and also give their parents peace of mind. Drop out rates go down, crime rates go down, students are healthier and happier. When students are successful, our whole community is successful." - **DONNA LUPARDO, NYS ASSEMBLY**
