

Power of 3:00 Afterschool Story Campaign

About the Campaign

As we approach the upcoming state legislative session, the New York State Network for Youth Success will be collecting stories from afterschool staff, students, parents, principals/teachers, and others to share with New York State legislators. Stories will be shared during our postcard campaign from January through March, during which we will be flooding the offices of legislators with real life stories of what afterschool programs mean to students, parents, staff, and the community. These stories are key to educating our legislators about the importance of supporting the programs offered throughout the state. If you would like to participate, please follow the directions below.

How to Participate

Submit Your Stories

Print the included forms OR share this link (networkforyouthsuccess.org/afterschoolstories) and ask your staff, students, parents, principals/teachers, and/or others to complete them. For printed forms, you can submit them to us in three ways:

1. Mail the handwritten stories to:
Network for Youth Success
415 River St. Troy, NY 12180
2. Scan and email stories to chris@networkforyouthsuccess.org
3. Transcribe the stories into the online form and submit electronically at networkforyouthsuccess.org/afterschoolstories

Submit Your Pictures

Please also consider sending a picture or two along with the stories that will then be used on the postcards shared with the state legislature. Please be sure that anyone pictured in the photos has a photo release, as these will be shared broadly. Photos can be emailed to chris@networkforyouthsuccess.org or submitted electronically at networkforyouthsuccess.org/afterschoolstories.

Deadline - Rolling

While we don't have a hard deadline, we do need to begin collecting stories to share with legislators beginning in early January. The earlier you can send these in, the better.

Cover Sheet

Please complete one Cover Sheet per set of responses emailed or mailed to the New York State Network for Youth Success.

Program Information

Please complete the following information about the program you are submitting responses about.

1. Organization/School:
2. Afterschool Program Name:
3. Funding Source(s) (if publicly funded):
4. City, Zip Code:

Main Contact

Please complete the following information about the point of contact submitting the collection of responses.

1. First and Last Name:
2. Title:
3. Phone number or email (to be used for questions about the included responses only):

Submit Responses

Please print the following forms and gather responses from your program's stakeholders. Multiple responses per stakeholder group are appreciated. Please compile all responses and photos and mail them to:

Network for Youth Success
415 River St.
Troy, NY 12180

or, scan and email them to chris@networkforyouthsuccess.org.
