Candidate Portfolio		___ Competent ___ Needs Training
Candidate Resource File		___ Competent ___ Needs Training

We have assessed the ability of _____, Candidate for the New York State School-Age Care Credential, according to the following definition:

“The competent School-Age Care Professional is a person who:

- Meets the specific needs of children,
- Nurtures children’s physical, social, emotional, and intellectual development in school-age care – with the help of parents, families, and other adults, and who
- Conducts themselves in a professional and ethical manner.”

Candidate is competent and should be awarded the New York State School-Age Care Credential. Final vote was “2” Competent and “0” Needs More Training.

Candidate needs more training and is not recommended to receive the New York State School-Age Credential at this time.

Final votes were ___ competent, ___needs more training.
